

Therefore Corporation produces high quality information management software for companies around the world. Are you interested in joining a dynamic team – a team that has the goal of producing the world's best information management software? Therefore™ has helped thousands of companies to speed up their business cycles and improve the way they process information. Find out more on our website www.therefore.net.

We're currently looking to further develop our product and company by recruiting a new:

Web Developer Visual Studio C# (m/f)

As a software developer your main responsibility will be to design, implement and test new features for our Client/Server application. Being able to write reusable and reliable code and manage your own projects while working within a team is key to success. This position is based in Moedling, Austria.

The Profile:

- University degree in computer science or similar experience
- Good knowledge of Visual Studio C#/ASP.NET
- Experience with web technologies like JavaScript, CSS, HTML5 and jQuery
- Familiarity with Telerik UI for ASP.NET AJAX is a benefit
- Logical thinking in order to create well-structured class design and algorithms

The Job:

- Being a part of improving our product by researching new technologies and innovations for future development
- Designing and implementing new features
- Working together with your colleagues to share ideas and best practices

If these tasks sound like something you would enjoy, we want to hear from you!

The Rewards:

- A challenging and multifaceted job in an international, rapidly growing company
- Minimum annual gross salary of €30.212 (38.5 hours/week). Salary may be adjusted based on qualifications and experience.
- Modern office directly next to the Mödling train station with convenient access from central Vienna via public transportation. A supermarket, pharmacy and gym are around the corner.

Are you interested in getting to know us? We'd love to meet you too!
Please send us your CV in English or German to career@therefore.net
